While Supplies Last!

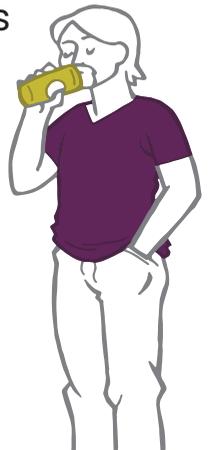

A smarter way to buy beer

It's easy with In-Store Brewing! Our skilled brewers will prepare your beer for you. All you need to do is add the yeast to start off the process and come back to can. You save more than 40% compared to the beer store!

In-store beer making is currently only available at our McPhillips location - but it's worth the trip!

Our brewery service exists to make small batch beer and cider accessible to everyone. We appreciate that you might want to brew at home. All of our beers are available as a take home kit. And we've got all of the equipment and supplies you'll need to keep the beer flowing.

Summer is Coming! It's time to Start Your Beer!

Czech Mate Pilsner

Perfect for the Spring and Summer- this version of the iconic Czech-style pilsner is clean dry and crisp- with noble hop character and a light malt flavour. ~5% alc.

While supplies last!

You can make all Ready Brew Styles...
